Re: Public Record Request
U.S. Smelter & Lead Refinery, Inc. Superfund Site (aka USS Lead)
East Chicago, Indiana

Dear Ms. Rzeknik:

Pursuant to the Freedom of Information Act, I would like to review or obtain copies of the USEPA records listed below. Please locate and include any relevant records for this Site stored in an off-site facility and/or in the Federal Records center.

- (1) Air and Radiation program: (a) air quality/emissions monitoring reports; (b) permits; (c) inspection reports; (d) enforcement actions; and (e) any required modifications to the facility equipment.
- (2) Great Lakes National Program: any and all documents concerning this Site's impact on the Grand Calumet River.
- (3) Land and Chemicals: any and all records including but not limited to the following: (a) RCRA program files including any records sent to USEPA from the IDEM program oversight; and (b) remediation and reuse program files.
- (4) Regional Counsel: any and all correspondence, investigative files and/or other records dealing with this Site during the course of USEPA's oversight of environmental programs while the company was operational or following its closure and nomination as a Superfund site.
- (5) Superfund: (a) Administrative record for the above site; (b) site files including any and all CERCLA Section 104(e) correspondence to numerous parties; (c) any CERCLA Orders and General Notice Letters; and (d) Emergency and Remedial Response Division files for removal activities

C

- (6) Water: Any and all records concerning groundwater, NPDES program, water enforcement and compliance assurance and any reports/memoranda concerning the Site's impact to the Grand Calumet River.

LECG will reimburse EPA up to and including \$1,000.00 for staff/research fees as well as duplicating costs. Any fees/costs over this amount should be discussed prior to generating such costs.

If you have any questions, please contact me at 610-254-4020.

Sincerely,
